Yarraville Seddon Eagles have developed the following Child Safe Policy and Code of Conduct. This policy is an overarching document that provides key elements of our approach to protecting children from abuse. It is designed to be communicated to all members of our club.

ATTENTION: The following is a Child Safe Policy and Code of Conduct which meets the guidelines set out in the Victorian Child Safe Standards. Statement of Commitment to Child Safety Child abuse includes sexual offences, grooming, physical violence, serious emotional or psychological harm, serious neglect and a child's exposure to family violence. Yarraville Seddon Eagles Football Club are committed to the protection of all children from all forms of child abuse and demonstrates this commitment through the implementation of a comprehensive Child Safe Program designed to keep children safe.

At Yarraville Seddon Eagles, we have a zero tolerance for child abuse and are committed to acting in a child's best interest and in keeping them safe from harm. The club regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintain a child safe culture.

Child Safe Principles

The club's commitment to child safety is based on the following overarching principles that guide the development and regular review of our practices, policies and procedures to protect children from abuse.

1. All children have the right to be safe.
2. The welfare and best interests of the child are paramount.
3. The views of the child and a child's privacy must be respected.
4. Clear expectations for appropriate behaviour with children are established in our Child Safety Code of Conduct.
5. The safety of children is dependent upon the existence of a child safe culture.
6. Child safety awareness is promoted and openly discussed within our wider community.
7. Procedures are in place to screen all official members of our club who have direct contact with children. Current Working with Children Checks are mandatory for all club officials directly dealing with children. Including, but not limited to: Coaches, Trainers and Team Managers.
8. Child safety and protection is everyone's responsibility.

CODE OF CONDUCT

A Child Safety Code of Conduct lists behaviours that are acceptable and those that are unacceptable. It provides a high-level statement of boundaries, ethical behaviour and acceptable and unacceptable relationships.

When individuals are clear about behavioural expectations, they are much more likely to act appropriately with each other and with children. When everyone is educated about the Code of Conduct and the reasons it is so important to uphold, the Club environment becomes much more transparent and people are accountable for their behaviour. Above all, a Child Safety Code of Conduct helps to protect children from harm.

This Child Safety Code of Conduct outlines appropriate standards of behaviour for all adults towards the junior players and members of our club. The Code serves to protect children, reduce any opportunities for abuse or harm to occur and promote child safety in the club environment. Where a club member breaches the Code, Yarraville Seddon Eagles may take disciplinary action.
